

Peter Müller

SENIOR VISUAL DESIGNER

I am a Designer based in Munich, Germany. Currently I am working full time for Publicis Sapient. My focus areas are interface design, interactive prototyping and organizing design teams and projects in agile environments.

EXPERIENCE

Senior Visual Designer · Publicis Sapient

Jun 2016 – Present

Worked on a number of projects in the automotive, energy and retail industries as a designer and later as a design lead. Focus was on interface design and prototyping. Gained a lot of experience with Scrum and agile methodologies.

Art Director/Digital · Jung von Matt

Sep 2014 – May 2016

Helped to set up the digital unit of Jung von Matt. Design of creative and digital concepts, multichannel campaigns and large portals for travel, automotive and retail clients.

Designer · Scanbot

Jun 2012 – Sep 2014

Brand design for the apps doo and later Scanbot. Creation of App-Store marketing material, brand design, illustrations and interface designs. Scanbot became the number one scanning app in the iOS App Store.
